

Awards and recognitions for NTT DATA Salesforce services in Japan

This article is translated from the original contents published in April 2024 in Japanese at <https://www.nttdata.com/jp/ja/lineup/salesforce/awards/>

NTT DATA won two categories in Salesforce Japan Partner Award 2024

NTT DATA has been awarded the "Japan Partner of the Year <Reseller Partners>" and "Japan Partner of the Year <Tableau Reseller>" at the Salesforce Japan Partner Awards 2024 by Salesforce Japan Co., Ltd. (Salesforce).

Recognized NTT DATA for the awards

In addition to achieving the highest resale value for Salesforce and Tableau products, NTT DATA was recognized for its outstanding performance in the manufacturing sector and Western Japan region.

JSOL Corporation Won Salesforce Japan Partner Award 2024 "Industry of the Year < Healthcare & Life Science >"

JSOL Corporation (hereinafter referred to as JSOL), a group company of NTT DATA, received the Salesforce Japan Partner Award 2024 "Industry of the Year

<Healthcare & Life Science>” at Salesforce Japan Co., Ltd.'s Partner Summit 2024 held on April 9, 2024.

Recognized JSOL for the award

The award is given to companies that have demonstrated particularly outstanding performance in the Healthcare & Life Sciences industry that year, based on a comprehensive assessment of business size and business growth rate, as well as the number of certifications and Navigator qualifications obtained.
